

## From the Headteachers

### Covid 19

We wrote to you yesterday to tell you that there has been a confirmed case of Covid-19 at Corpus Christi which has resulted in a closure and isolation of a class. We are aware that several local schools are sadly once again experiencing cases and class closures. This is reminder that even though restrictions begin to be relaxed, we are still amid a global pandemic and there are several things we all can do to keep each other safe.

If your child or a family member feels unwell and needs to get a test, then please stay at home until the result of the test is known. This will help to limit transmission in school if the test is confirmed positive. It is also helpful that you communicate with the school so that we are aware of your situation at the earliest opportunity. Over the weekend this can be done by emailing the school office or Mrs Connery and Mr. Coyle directly so that track and trace procedures can take place.

We also remind all parents to be socially distant at drop-off and pick-up times and wear a face covering each day. Please remember do not compromise this when speaking to others and we respectively ask you to leave the site as quickly as possible.

Due to the current COVID guidelines in place and our in-school risk assessments, we continue to request that children do not bring items from home that are not related directly to their schoolwork. This includes birthday treats or other celebratory gifts.

**Finally, it remains important that you be mindful of present restrictions when going about your daily lives and observe any local or national restrictions - not adhering to the restrictions may have a negative impact within the school and wider community.**

**We know that this continues to be a difficult time for families, and we thank you for your support as we work to keep our school and wider community safe.**

### School Trips

Class teachers across the school are presently organising outings to take place before the end of the school year. Out of classroom activities support and enhance the curriculum and add great enjoyment to the children's learning. We ask for a voluntary contribution from parents towards the cost of each trip which will help to enable these outings to take place. If meeting the cost of any trip is difficult for you, you can speak to Ms. Ruiz in the strictest confidence.

## Lateness

Since our return to school, we have had a window of when the children can arrive at school; between 08:45am – 09:00am. This is to allow for social distancing and to avoid crowded pavements and roads. This window will remain in place for the foreseeable future but from next half term, Monday 7<sup>th</sup> June, any child arriving after 09:00am will be marked late in the register.

We have had an amnesty on lateness for some time, but as good practice children must arrive to school on time to begin their school day with their teacher and to avoid any disruption to lessons.
