

From the Headteachers

This week we were delighted to announce our Head Boy & Head Girl along with their deputies who we are sure will represent the school with pride and confidence.

Attendance and Punctuality

School gates open from 08.40am and children can arrive at school from that time and come straight into class and begin their early morning workboards. However, it is important to reiterate that the window at the beginning and end of the school day is meant to support parents who have children at both sites. If you have only children at one site, then they should be present at school at the beginning of the window at drop off between 8.40am – 8.50am and collection between 3pm - 3.15pm. Thanking you in advance for your continued support and co-operation, it is much appreciated.

Welcome Meetings

We have had welcome meetings already for children in the Upper Juniors and the Infants which have been well received by parents. These meetings provide a wealth of information about your children's year group and expectations the year ahead. The Lower Juniors Welcome Meeting will be held on Wednesday 27th September and a Day in Early Years Wednesday 5th October. You will receive information about these meetings from your child's phase group.

Uniform

Many thanks to all parents for supporting the school's uniform policy and ensuring that the children are dressed smartly each day. It is also important that children in Reception to Year 5 wear their caps and hats to school unless it is their PE day. More detailed information can be found on the school website. A reminder that all children will wear winter uniform from **Monday 2nd October** so next week would be a perfect time to get that organised.

Catholic Children's Society

During the summer we received a letter of thanks from the Catholic Children's Society for your generous donation of £865.78. The money will provide support to vulnerable families in our community. A copy of their letter is attached to this newsletter.
