Switch off for cleaner air

We can all now do something to improve the air quality for our children around the school. On **Monday 26th March**, in the afternoon, we are hosting a 'vehicle anti-idling action event' here at **Corpus Christi School** to raise awareness of the pollution caused by drivers idling their engines while stationary and to change behaviours to help clean the air around our school. We are looking for parent volunteers to help us on the day. You will get a training session first, that gives you all the facts and figures about air pollution and idling, and then you will be sent out in pairs to talk to drivers and pedestrians about how everyone can do something to help reduce air pollution, and get any idling drivers to 'switch off for cleaner air'. More information about the event, and the chance to sign up to volunteer for this event can be found here: https://idlingaction.london/event/lambeth-idling-action-event-7/?instance_id=232

Band Performance

Mrs Smart would like to say a very big thank you for all the children who performed on Wednesday at The Clore Ballroom, Southbank Centre and for their commitment in attending early morning band practice. Thank you to all the parents who attended the event. Please check twitter@ccbrixton for photographs and updates of all our school events.

Quiz Night

A huge thank you to everyone who came along to support our quiz last week. There was a fantastic atmosphere and we all had a really fun, child free evening! Funds raised will be split equally between the school and the parish. Thanks to all the volunteers who were responsible for organising the event and helped out on the night. A very special thanks to Mary Boakye who provided a delicious Ghanaian feast; to Dominic Collard for his expert quiz mastering; and to Jo Reagan from the parish council who did so much to help us sell tickets and make the evening a success.

We'd also like to thank those who so generously contributed to our wonderful raffle. We are very grateful for all their support:

Megan's restaurant, Fulham and Parsons Green

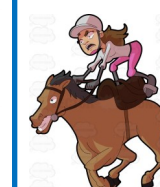

One2One Eye Care

London Beer Lab

F Mondays

Daniella at Marks & Spencer Food, Streatham Hill

We were also incredibly lucky to receive sponsorship for the quiz from Carval Investors via one of our school dads. The company has kindly donated £500 towards fundraising efforts for our green wall. We're delighted with this support which will have a direct impact on the health of our children.
