Wellbeing Award

Corpus Christi School has applied for a Wellbeing award to recognise and accredit some of the work we are doing supporting children, families and staff with their wellbeing and mental health. Part of this award involves setting up a working party of parents who may have an interest or expertise in wellbeing and mental health. If you would like to join the working party, please email any enquiries to Mrs Smart directly on ksmart@corpus-christi.org.uk

An initial survey will also be sent to all pupils, parents and staff after half term and then again towards the end of the autumn term to track school initiatives. Please look out for this after half term.

Online Safety Meeting Monday 8th July

There will be a meeting for parents on online safety at St Martins in the Fields and we strongly encourage you to attend, irrespective of the age of your child. Online behaviour and access to mobile phones is a continuing challenge we face with children and young people.

We are delighted to have a guest speaker, Karl Hopwood, who has a wealth of experience in this field. Karl is an independent e-safety expert, he is a member of UKCCIS (UK Council for Child Internet Safety) and sits on the advisory board for the UK Safer Internet Centre and the education advisory board for CEOP. As an ex primary headteacher, he continues to work closely with children, young people, parents, and teachers to develop safer online behaviours and the promotion of digital literacy.

The meeting for parents will take place at 9.15am, the hall will be open from 9am, to give time for parents to arrive from the main site. The meeting will approximately 50 minutes and then Year 5 and 6 will be attending a workshop afterwards.

A survey will be going out to parents after half term, to gauge parent's opinions on the use of mobile phones for children and young people.

Don Rae Academy Monday 8th July

We are delighted to invite back the Don Rae Academy, who led a successful Chinese New Year workshop in the spring term for infant classes. In celebration of the summer Olympic Games in Paris, junior classes will have a day of dance workshops which will culminate in a showcase for parents in the afternoon, on the field at St Martins in the Field. The parents' association will be serving refreshments, and we hope you can join us from 2pm. Parents are welcome to collect infant children from the main site if this is convenient but would need to let their child's class teacher know time of collection.
