From The Headteachers

Governing Board

Josephine Namusisi-Riley resigned from the Governing Board last week. On behalf of the school Governors and whole Corpus Christi community we would like to thank her for her contribution to the school as both Foundation Governor and as Chair of the Governing Board. Hilda Bellamy and Biba Dow will now act as Joint Chairs of the Governing Board until the end of the academic year.

Parents Evening

Our second Parents' Evening of this academic year will take place this half term but you should have received your appointments by now. This will be an opportunity to discuss your child's progress and look through some of their work. You will also receive information shortly detailing if your child is in an intervention group. Children across the school receive additional intervention for a variety of reasons which support or extend your child to develop a skill or aspect of learning. These groups can be short or long term, depending on the needs of the child. Support and extension groups are very successful, particularly when reinforced at home. If your child is included in any intervention groups and you have any questions, you can always have this explained to you at Parents Evening.
