

Thank you to Fr. David, Mrs Duffy and Year 5 children who led our Marian Procession on Tuesday.

From The Headteachers

Healthy Schools Award

We are delighted to announce that the school has been awarded The Healthy Schools London Bronze Award for supporting the health and wellbeing of our school community. The award scheme is sponsored by the London Mayor which recognises and celebrates schools that are making a difference for their pupils. We all want to help our children stay healthy and happy as they grow up. In this context, what happens at school every day is really important. Schools can help children lead a healthy lifestyle directly – to make healthy food choices at lunchtime, to be active at and on the way to school. More widely, schools can help children learn about their health, and develop their motivation and self-respect to make healthy choices. The benefits go beyond health. We know that when children are healthy and happy at school, they can achieve more. So once again we thank all of you for cooperating with and supporting our Healthy Schools Initiatives.

PGL

Year 6 have had a wonderful residential week away to the Isle of Wight. The staff have really enjoyed spending quality time with the children and their conduct has been excellent. We would like to thank the staff for taking the children away and I know Year 6 parents will enjoy the children's stories.

We wish you all a restful and happy half term.

General Reminders

Breakfast & After School Care Club

Breakfast & After School Club are extremely popular. We are unable to accept additional children. We request that parents make alternative arrangements if an emergency arises.

Friday Night is Lice Night

Please do check regularly to keep those nits at bay! The school nurse has advised parents to use this link for advice on the identification and treatment of head lice. It is the parent's responsibility to check their child's hair regularly and deal with incidences immediately.
