Welcome Back

Welcome back to school for the new summer term. The children returned enthusiastically and looking very smart in their summer uniforms. A reminder that girls should keep long hair tied back and boys' hair should be above the collar and ears and not have any dramatic changes in length. Hair extensions are not allowed and earrings should be plain silver or gold studs only. Shoes for both girls and boys should be plain black with no flashing lights or other decorations. We look forward to a very busy and exciting term and we are sure the children will continue to do their best. We would like to take this opportunity to thank all our parents for their continued support.

Bid Success

The Condition Improvement Fund is an annual bidding round for academies to apply for capital funding to improve school building conditions. Corpus Christi was successful in its application to replace the school's heating systems across the school. This is the first time the school has received any monies from this fund and as we are one of only two successful Lambeth schools in this process this is a great achievement. We will give you more information about the works in due course.
