Community Green Space Grants

The Mayor of London, Sadiq Khan, has awarded £1.1 million to community projects across the capital to help them improve and create new local green spaces. After unprecedented demand from local groups, Mr Khan has provided almost three times his original budget for this first year of the Community Green Space Grants, with 55 projects across 23 boroughs receiving between £5,000 and £50,000 through his Greener City Fund. The Mayor's funding will be matched by an additional £2.8 million from the projects themselves, as well as other public, private and charitable funders.

We are pleased to announce that Corpus Christi has been one of the beneficiaries of this fund and has been granted £20,000 to support the planting of a green wall(s) at Corpus Christi. On behalf of the whole school community we would like to thank a group of parents; Kathryn Eade, Nadya Morgenstern, Landa Acevedo -Scott and Bernie Butler, who have been instrumental in securing the funding for this project which will of benefit to the whole school community. More information on this will be provided in the coming weeks when details have been finalised.

Parenting styles

A presentation has been arranged on 7th February at 9am in the Upper Hall to follow on from our recent session on meeting our children's needs. This will give us time to look at ourselves and ask some challenging questions. What is parenting, how do I parent and does parenting matter? This presentation will hopefully go some way to improving relationships with our children by changing us. It's not what we do that will have the greatest impact on our children's life's, it's what we don't do.

PET PHOTO COMPETITION

Thank you to all the lovely photos received for our pet photo competition. Judging is going to be very difficult as they are all so cute. The winner of the competition will be announced at Monday's assembly.

Friday Night is Lice Night

Please do check regularly to keep those nits at bay! Head lice can be a nuisance and parents must do regular checks to ensure your child has not got them and also if they do you treat them straight away to ensure they do not spread to other children.

If you have any concerns regarding the welfare and safety of any child at Corpus Christi School please do not hesitate to contact one of our Safeguarding Officers. Any issue will be dealt with in the strictest confidence.
