

From The Headteachers

We wrote to you in January that Corpus Christi School was one of the beneficiaries of the Mayor of London Fund to help improve and create new local green spaces. The school was granted £20,000 to support the planting of green walls at Corpus Christi in both of our playgrounds. This week we have learned that the Borough of Lambeth is also pledge to support the school in this project to protect our pupils from air pollution. Upon approval of all required planning permissions they will make a payment of £10,000 to the school.

On behalf of the whole community we would like to thank again a group of parents: Kathryn Eade, Nadya Morganstern, Landa Acevedo-Scott and Bernie Butler who have been instrumental in securing the funding for this project. Thanks also to Matthew Browning, Sustainability Officer at Lambeth Council for recommending this project for local authority support.

LEGOLAND

The children from Years 3 & 4 had an excellent trip to LEGOLAND yesterday and enjoyed the day immensely. Thank you to all the parents who were able to join us as it is with your support that we are able to organise such events.

General Reminders

Breakfast & After School Care Club

Breakfast & After School Club are extremely popular. We are unable to accept additional children. We request that parents make alternative arrangements if an emergency arises.

Friday Night is Lice Night

Please do check regularly to keep those nits at bay! The school nurse has advised parents to use this link for advice on the identification and treatment of head lice. It is the parent's responsibility to check their child's hair regularly and deal with incidences immediately.
