School Awarded Primary Science Quality Mark

We are delighted to announce that we have been awarded with a Primary Science Quality Mark. These marks have been awarded to 198 nursery, infant, junior, primary, middle, international and special schools this month to celebrate their commitment to excellence in science leadership, teaching and learning. So far, since its national launch in 2010, more than 5000 Primary Science Quality Marks (PSQM) have been awarded, creating a solid foundation of quality science education for over 1,000,000 children.

PSQM is a comprehensive evidence-based professional development programme that effectively develops science leadership, ensuring teachers have the knowledge, capability and support they need to transform science education and shape future generations.

The Primary Science Quality Mark is led by the University of Hertfordshire.

Helen Sizer, PSQM Co-Director said: *'By enabling effective science leadership, PSQM is powering the potential of all children to see the relevance and importance of science in their lives, now and in the future. Schools that have achieved a Primary Science Quality Mark have demonstrated a significant commitment to science leadership, teaching and learning and the profile and quality of science in each accredited school is very high. Science subject leaders, their colleagues, headteachers, children, parents and governors should be very proud.'*

We are very happy to share this news with you and continue to strive towards an excellent and enriched science curriculum for all our pupils.

Online Safety Meeting Monday 8th July

There will be a meeting for parents on online safety at St Martins in the Fields and we strongly encourage you to attend, irrespective of the age of your child. We are delighted to have a guest speaker, Karl Hopwood, who has a wealth of experience in this field. Karl is an independent e-safety expert, he is a member of UKCCIS (UK Council for Child Internet Safety) and sits on the advisory board for the UK Safer Internet Centre and the education advisory board for CEOP.

The meeting for parents will take place at 9.15am, the hall will be open from 9am, to give time for parents to arrive from the main site. The meeting will approximately 50 minutes and then Year 5 and 6 will be attending a workshop afterwards. Please [follow this link](#) for the survey.

Corpus Christi Boys Football

At Corpus Christi School we have a long-held tradition of setting up competitive football teams, built upon core school values and a system of integration feeding players through from year 5. Despite fielding an incredibly inexperienced team, they should be commended for a spirited campaign in the A League as well as a very impressive run to the semi-finals in the Magazine Cup, well done!

With what feels like an oft-repeated phrase, the girl's football season has once again been blighted by bad weather. Despite this the girl's team are on course to win their league whilst remain undefeated, providing they avoid a loss in their final game this Saturday. Their spirit and togetherness coupled with great talent has been a delight to witness. Congratulations on a terrific season, girls!

Friday 5th July – Sports Day

Sports Day will take place on Friday 5th July at Dulwich College. Please note that children must be brought to and collected from the sports ground and not Corpus Christi School. EYFS children will be collected at 10.30am and all other children collected by 12.30pm. More information about the day is attached to this newsletter.

Don Rae Academy Monday 8th July

We are delighted to invite back the Don Rae Academy, who led a successful Chinese New Year workshop. In celebration of the summer Olympic Games in Paris, junior classes will have a day of dance workshops which will culminate in a showcase for parents in the afternoon, on the field at St Martins in the Field. The Parents' Association will be serving refreshments, and we hope you can join us from 2pm. If you have an Infant child at Trent Road and you would like them to see the showcase with you, you are welcome to collect them early from school but please let your child's class teacher or the office know.

From Fr Matthew:

Thank you so much for your support of our Summer Fair which raised an AMAZING £9K for our parish. Your donation of bottles, volunteering and attendance were very much appreciated and - again - thank you!! ❤️

BOOGIE AND BALTI - SATURDAY 20TH JULY 2024 - ST MARTIN IN THE FIELDS SCHOOL

I do hope that you'll be able to join us in a few weeks' time for BOOGIE AND BALTI on Saturday 20th July at 6:30pm at St Martin-in-the-Fields School. It's another fundraiser for us and - if you missed it last year - one not to miss if you like TWO live bands, an authentic curry, chilled booze, dancing and singing along to 80s, 90s and noughties classics. It's an Adults Only event and Tickets can be bought by clicking [here](#) and are only on sale for the next couple of weeks. It'll be the best way to celebrate the beginning of the school holiday season so make sure to act now and ... Don't Fade The Boogie! 🕺🕴!

If you have any concerns regarding the welfare and safety of any child at Corpus Christi School, please do not hesitate to contact one of our Safeguarding Officers. Any issue will be dealt with in the strictest confidence.
