

This week we had a visit from author Chris Duke and he read his book 'Lucy's Blue Day' which is a great little book about sparking conversations about emotions.

From The Headteachers

Parent Workshops

Many thanks to all our parents who attended Lee Slater's parent workshop on "Shame" this week. This was a good opportunity for parents to share their experiences and to listen to some excellent advice. We thank Lee Slater for giving up his valuable time to support our families once again with the challenges of being a parent. His presentations for all four workshops conducted at school can be found on our website in "Info for parents/parent workshops".

Easter Events

We look forward to seeing our families attending our Easter performances and celebrations. We thank our staff for all their hard work preparing the children and reminding us of the importance of Jesus in our lives when we reflect on the Passion in Holy Week.

Achievement Assemblies

During assembly today the children shared the achievements they have made outside of school in activities such as sporting and music, well done to all the children who took part.
