

From The Headteachers

Safety

Safer Internet Day 2018 will be celebrated globally on **Tuesday 6th February 2018** with the slogan "Create, Connect and Share Respect: A better internet starts with you". Throughout the week we will be celebrating Safer Internet Day through a variety of activities including assemblies, lessons, workshops and class discussions. The aim of this week is to help equip children with the knowledge to behave safely and responsibly online. We encourage you to talk about the use of the internet with your child as it may generate some interesting discussion.

Parents Evening

We look forward to seeing you all at parents evening. This is an opportunity to discuss your child's progress and look through some of their work. You will also be informed if your child is in an intervention group. Children across the school receive additional intervention for a variety of reasons which support or extend your child to develop a skill or aspect of learning. These groups can be short or long term, depending on the needs of the child. They have proven to be very successful, particularly when supported at home. Your child's teacher will explain in more detail why your child has been included.

ANNOUNCEMENTS

Clean Air

In his efforts to combat air pollution, The Mayor of London is running a consultation to extend the planned 'ultra low emissions zone' to include Lambeth and beyond. To have your say please take the survey before 28 February - <http://bit.ly/2mVHpgq>

Message from our Parents' Association: Anti-idling

Please remember to turn your engines off when you are parked near the school gates. The emissions are harmful to the children and you could be liable for a £20 fine if a traffic warden finds you parked with engines on. Watch out for our posters reminding you to turn engines off which will be displayed on the gates shortly. Also, Lambeth Council will be coming to the school to provide us with more information on this topic on Monday, 19th March. More details to follow on when workshops will be held.

Dates for your diary

Parents' Association Meetings
Wednesday 7.30pm 21st February
Friday 9am 23rd March

Friday Night is Lice Night

Please do check regularly to keep those nits at bay! Head lice can be a nuisance and parents must do regular checks to ensure your child has not got them and also if they do you treat them straight away to ensure they do not spread to other children.

If you have any concerns regarding the welfare and safety of any child at Corpus Christi School please do not hesitate to contact one of our Safeguarding Officers. Any issue will be dealt with in the strictest confidence.
