

## From the Headteachers

### Book Week

The children have had a wonderful week in school celebrating Book Week. Each class has decorated their classroom door based on a famous book and year groups have also had the chance to 'buddy up' and share stories together. It has been wonderful to see so many children walking around the school with books in their hands after having the opportunity to have a year group book swap which shows their love of reading. Today we had our Book Week Assembly where children from Nursery to Year 6 had a chance to dress up as a character from a book. This is a very special day in the Corpus Christi calendar and we would like to thank you for the great lengths you go to make costumes and props and helping the day become such a success. We would also like to thank Mrs Jenson for all her hard work in organising events this week.

### International Women's Day

The D&I Champions will be helping Corpus Christi to celebrate International Women's Day on Wednesday 8<sup>th</sup> March. This year the theme is 'Embracing Equity' and there will be an assembly in the morning to introduce the theme and discuss the importance of recognising the contributions that women have made to society and the barriers they have had to overcome. The D&I Champions have had a workshop introducing them to the topic where they discussed the meaning of terms such as equity, equality, inequality, intersectionality and justice. They identified the challenges that women and girls face globally and each chose a woman who inspires them to share with different classes across the school. The children will deliver a short presentation on the chosen women to each class across the school on the 8<sup>th</sup> March.

Amelia Echart & Emmeline Pankhurst came to visit us in school today.
