### From The Headteachers

**Summer Activities**  
Summer has finally arrived and we are hoping to enjoy some warmer days soon. The children continue to avail of a wide range of trips and activities to support their learning in the classroom. All trips are subsidised by the school and their continuation depends entirely on parental contributions to the cost. Please check your ParentPay account regularly so that all outstanding balances are paid in full. This enables the school to maintain its wide range of trips off-site and visitors to the school so that the curriculum on offer to the children continues to be enriched.  
Years 4, 5 & 6 are now looking forward to their residential trips in the coming weeks and we thank all staff who enable these to happen by giving up their time for the children. Without their continued commitment and support these would not be able to take place.
