Wider school Impact Team

Today the School Council Wider Impact Team met with us as they were concerned about the impact of the war in Ukraine. They asked if we could organise a collection to support the work of the Red Cross

and Red Crescent who are very concerned by the intensification of fighting in Ukraine, which threatens to bring essential services to a halt, create huge upheaval, loss of life, and separate families. Anything you can donate will help them to provide healthcare, emotional support and essentials like food and fuel to the people of Ukraine. We have created an item on your ParentPay account for you to make your donation.

Book Week

We have enjoyed a busy week immersed in books and reading! Our book buddy sessions enabled Infant and Junior children to spend time together again, reading and sharing books. Our book swap gave children a chance to reuse their old books by passing them onto their classmates. Every class decorated their doorway with a book theme and every child has been given a book token to put towards buying a new book. Our celebrations continued today with children and staff dressing up as their favourite book characters. It was wonderful to see the excitement as children arrived at school, eager to show their costume to one another. We enjoyed Class 3's book-themed assembly and a costume parade with the whole school. We would like to thank parents and carers for your continued support as these events would not be possible without it. Thanks also to the Parents' Association for organising a second-hand book sale this week, which raised vital funds for our school community.

Author Visit

Next week we welcome Sophy Henn to Years 3 & 4 to talk about her books fantastic PIZAZZ books and introduce the newest book in the series 'Pizzazz vs the Demons'. Children in Years 3 & 4 have had the opportunity to purchase the book and orders can still be made until 7th March. If parents wish to buy a book for another child, please visit the school uniform shop to see the selection or [click here](#).

Uniform Price Increase

From the summer term, 20th April, there will be a price increase on certain items of school uniform. Many of our items are sold to parents at a lower price that we are charged, but unfortunately manufacturing costs have increased and subsequently we have had to raise the cost of tank tops and blazers and girls' blouses (Year 5 & 6 girls only).

Parents' Evening

This term we will be holding our Parents' Evenings on Tuesday 22nd March and Thursday 24th March between 4pm – 6.20pm. These meetings will be in person with your child's class teacher.

If you prefer a particular day, please email gtatton@corpus-christi.org.uk and we will do our best to accommodate your request.
