

From the Headteachers

Remembrance

Next weekend 14th November is Remembrance Sunday. At Monday's assemblies we will pay tribute to all who have died in conflicts across the world. The Head Boy and Head Girl, their deputies and school chaplains will then take part in a service in the school hall. This will be viewed by all children in their classroom on Thursday 11th November where a 2-minute silence will be observed. Poppies are now on sale at the school office with all donations gratefully received on behalf of The Royal British Legion.

Relationships Education and Health Education

In the academic year 2020/21 Relationships Education and Health Education became statutory in all primary schools in England. This subject will build on the non-statutory lessons we have previously taught in RSE. RSE is an abbreviation of Relationships and Sex Education. At Corpus Christi School, we have always had an RSE policy in place and have taught this subject across all year groups for many years. This has included teaching about physical changes during puberty in Year 5 and human reproduction in Year 6.

We have been researching various programmes that are available to support our teaching and have decided to adopt Life to the Full by Ten Ten Resources. Ten Ten is an award-winning Catholic educational organisation that is well-respected and very experienced in this field of work. This scheme is recommended by the Education Commission for the Catholic Archdiocese of Southwark.

Next week via the school website you will be able to access google slides which gives you information on the RSE content at each Key Stage, as well as allowing you to provide feedback via a short survey.

Harvest Festival

The Ace of Clubs would like to thank you for your kindness and support throughout the Harvest Festival, they wrote:

"Thanks to your hard work we were able to keep our store cupboards packed with a wide array of food, helping our mission to serve homeless, isolated or otherwise vulnerable people".

Times Table Rockstars Competition

Monday 8th November - Friday 11th November

Next week we are joining a nationwide competition on Times Table Rockstars as part of 'Maths Week England'. If your child has a TTRs login (Years 2-6), they are automatically entered into the competition. Children need to go on TTRs as much as possible (there is an hour limit a day) to earn points for their class. At the end of the competition, TTRs will announce the top 3 classes across the whole country. On Monday 15th November, I will also announce the top 3 classes across the school and give out prizes.

Miss Giles Math's Co-Ordinator.

Congratulations!

This week we heard the wonderful news of the arrival of Mrs Kerr's baby boy, John Joseph. Both mum and baby are doing well and is back at home with his big sister, we wish them all the very best.

We will again this year be selling Christmas Trees and hopefully we will be able to offer a delivery service. If you able to assist with the deliveries to the local area for our parents, please can you contact the school office. The planned delivery date of the trees to school is Monday 13th December. More information to follow on how to purchase your tree.

Parents' Association

We're delighted to be able to host many exciting events again!
