

From The Headteachers

Animation Project

Last year, eight Year 5 and 6 children took part in the Recycle, Rewind and Animate programme with Anne Goliath, project manager of London RRA. Afternoon sessions were run as an extension for children who had a particular flair in arts and computing. A screening of the finished products took place at the Ritz Cinema on Tuesday 2nd October. It was lovely to see our present Year 6 and 7 pupils attending with their families and we congratulate them on their presentations. The animations were of exceptional quality and we thank Miss Kriechbaum for her passion and commitment to the project.

World Mental Health Day

On Wednesday 10th of October it is World Mental Health Day. Through our RULER programme we are committed to ensuring the mental well-being of all our pupils. All the classes will be looking at how we express ourselves and how we can talk about issues that may be bothering us. All parents and carers will receive a leaflet about how to help address any mental health issues.

Uniform

The winter uniform for girls specifies long knee length white socks or navy blue tights. Some girls have requested if they could also have the option of wearing long knee length navy blue socks. We are happy for all girls across the school to have the option of wearing knee length navy blue or white socks, or navy blue tights.

Parent Governor Elections

Next month our two existing Parent Governors are coming to the end of their term of office. Elections will be held in the coming weeks and more information will be sent out next week.
