

From the Headteachers

Parenting Workshop

Lee Salter is a Corpus Christi parent, trained therapist and registered member of The British Association of Counsellors and Psychotherapists, has led workshops at school on meeting the needs of children and parenting styles a while back. These were very successful meetings and helped parents to reflect on their own parenting styles and the impact on their children.

We all want our children to be happy and grow into healthy secure adults. A better understanding of children's and our own needs may help make our family lives easier. This is especially important after the impact of the pandemic on our family lives.

We are delighted that Lee will be holding an evening meeting on Tuesday 24th May for parents and refreshments will be provided by the parents' association. This meeting will help parents make more informed choices and decisions in meeting your children's needs and make parenting a little easier. It will also be a wonderful opportunity to meet new parents, after a long time not being able to come into school.

We look forward to seeing you and please RSVP office@corpus-christi.org.uk, so we have an idea of numbers.

Mental Health Week

Next week is adult mental health week. The school had a very successful children's mental health week in the spring and have an ongoing commitment to supporting our children with developing good mental health. We also share that commitment with our staff and families at the school. There are plenty of useful links on the school website with reference to mental health support. This year's theme is helping people who are experiencing loneliness. If you or your families are seeking support with this please follow [this link](#) for more information and useful advice. Please be assured that the school is always here to support all our families to achieve the goal of positive mental health.

Supporting Ukraine Families

Next week we are very happy to welcome two children from Ukraine into our school. They are being hosted by a lovely family in the wider community and we know that everyone will welcome them into our community and support them during this very difficult and changing time in their lives. We hope to welcome a further child later in the month when the family arrives in the UK.

DATES TO REMEMBER

Mon 9 th May – Fri 13 th May	Mental Health Week
Mon 9 th May	Year 6 SATs Week Year 4 Residential Trip to Butlins
