

From the Headteachers

Welcome

We hope you had a wonderful summer break and have enjoyed spending some extended time with your children. All the children have settled in well to their new classes and we thank you for ensuring the children have returned to school looking so smart in the uniforms.

Welcome Meetings

We look forward to seeing you all at the welcome meetings in the coming weeks. Please ensure at least one parent attends the meeting as you will receive important information from your child's class teacher about the year ahead.

Playgrounds

Thank you for ensuring that the playgrounds are quiet when the teachers are ready to line the children up when the bell is rung and the children begin to go into their classes. Please ensure that you move away from the lines in good time so that the teacher is able to see all the children.

Bicycles

If your child cycles to and from school please ensure their bicycles are locked securely in the bike area. Unfortunately we have had incidents where bicycles have been stolen when left overnight and during holidays.

Announcements

Term Dates

Autumn Term dates will be published on the school's website next week along with the dates for the class assemblies for this academic year. Class 12 will start off the school year with their assembly next Friday 13th September.

After School Activity Clubs

After School Activity Clubs begin from Monday 9th September until the week commencing 18th November. Children can bring a small healthy snack to have before their clubs begin. Please remember if your child uses their P.E. kit for an activity you must ensure the P.E. kit comes back into school the following day.

Year 6 children came together at The Fort, Dulwich, for two days team building. They spoke about their aspirations and wrote positive messages to each other.

Parents' Association News

A big welcome back from the Parents' Association

At Corpus Christi School we have a very proactive and engaging parents' association organizing a variety of event throughout the year for both children, adults and families.

These events and many others are a great chance to meet other parents, catch up with friends and get involved in fundraising for the direct benefit of the school and ultimately for all our children. In the past the PA has funded among other things class room resources, school mini bus ipads and most recently the refurbishment of the infant playground and supporting the installation of our green walls around the school.

Please do read this column each week to find out what we are doing and how you can join in. We look forward to seeing lots of parents and families at our events this year. As ever, parents are always needed to help.
