Uniform

Thank you for ensuring your children are smart and well turned out for school. Children should wear their full uniform to and from school and teachers will allow them to take off jumpers and blazers during the day. Please ensure your child has their own summer house hat, which can be purchased online from the school uniform shop. In order to protect them from the sun at playtime at this time of year, any child who does not have a summer hat cannot be exposed to the sun and will have to sit in the shade. The purpose of having their own hat is to take pride in their house, for personal hygiene reasons and to educate children about the importance of staying safe in the sun.
