Reading Scheme

As educators, we are committed to supporting children in becoming life-long readers and developing a love for reading. Last year, we organised regular class visits to Brixton library so children could explore this great resource and they were able to take out books on their class library card. In the Summer Term, we were visited by our librarian, Caroline, who launched the Summer Reading Scheme and gave every child a library card. She will be returning to school later this term to present all the children with their certificates. Since we returned to school, Year 5 have visited Brixton library for an AR (augmented reality) author event and Year 4 went to the 'Travel Things' exhibition. We have some more events planned at the library to help us celebrate Black History Month.

Winter uniform

The children are looking very smart wearing their winter uniform. When the weather turns colder children may wear the school woollen hat to school, this can be purchased online through the school uniform shop. At present they are to continue wearing their felts hats and caps to and from school. Winter coats can be purchased as well, and we now have a stock of age 3-4 years.

Harvest Festival

On Tuesday 18th October we will be celebrating our Harvest Festival. Again, this year we will be supporting the local Ace of Clubs homeless and vulnerable charity based in Clapham. Further information will be sent next week together with a list of items you can donate on this day.
