

From The Headteachers

Welcome Back

We hope you had a wonderful summer break and have enjoyed spending some extended time with your children. All the children have settled in well to their new classes and we thank you for ensuring the children have returned to school looking so smart in their summer uniforms.

Welcome Meetings

We look forward to seeing you all at the welcome meetings in the coming weeks. Please ensure at least one parent attends the meeting as you will receive important information from your child's class teacher about the year ahead.

Playgrounds

Thank you for ensuring that the playgrounds are quiet when the teachers are ready to line the children up when the bell is rung and the children begin to go into their classes. Please ensure that you move away from the lines in good time so that the teacher is able to see all of the children.

Head Boys & Head Girls and their Deputies

The children were elected by their peers in Year 6 and we look forward to working with them this coming year.

Parents' Association

A big welcome back from the Parents Association.

In the past the PA has organised cake sales, children's discos, race night and bingo evening and our annual Christmas fair.

These events and many others are a great chance to meet other parents, catch up with friends and get involved in fundraising for the direct benefit of the school and ultimately for all our children. In the past the PA has funded among other things iPads and ipads, playground equipment, classroom resources and the school minibus. They also worked extremely hard and passionately to secure the grant necessary for the installation of our Green Wall.

Please do read this column each week to find out what we are doing and how you can join in!

We look forward to seeing lots of parents and families at our events this year. As ever, parents are always needed to help.

If you would like to get involved please register your interest by clicking on the following link:
