

From The Headteachers

Thursday 14th June marks the 1st anniversary of the Grenfell Tower fire. We will be marking the day with a 1 minute silence at midday in remembrance of those who lost their lives. We will also reflect on the impact on their families and the survivors.

Friday 15th June is **Green for Grenfell Day** which ties in brilliantly with the installation of our much anticipated Green Wall.

In the aftermath of the fire local people and people from around the country came to support those most affected. As a legacy to this community spirit, diversity, resilience and unity, Green For Grenfell Day was launched to encourage communities to come together to help themselves and others.

Our event will be a celebration of green!

Children and staff will be asked to dress in green and bring a £1 donation, the proceeds will go back into the Green Wall and planting projects across the school. If parents want to join in too that would be even better!

In the afternoon we will have several activities including a visit from the Deputy Mayor of London, talks by The Plant Man, art tables decorating butterflies, green hearts and plant pots, planting, music and tea and cake!

If so please contact joanneregana@yahoo.co.uk and let me know what you would like to do. Even a couple of hours will be a big help on what should be a fun day for all.
