

From the Headteachers

Goodbye and Best Wishes

Today we said goodbye to Miss Kriechbaum who has been a class teacher and computing lead at Corpus Christi for the last seven years.

She has had such a positive impact on the school in the time she has been with us, and we thank her for all her hard work in developing the computing curriculum and improving remote learning during lockdown. She leaves today with the appreciation and love of all her colleagues, as well as the respect and admiration of all the children and parents who have had the experience of knowing her as class teacher. We wish her every success and happiness for the future.
