

From The Headteachers

World Book Day

Corpus Christi's postponed World Book Day was a huge success. The children looked amazing in their costumes and had a wonderful time finding their character 'twins' all over the school. Thank you for working so hard to prepare the children, your efforts made it a really special day. The staff also made a great effort with their costumes and enjoyed the day too.

World Maths Day

The children have been busy calculating on Mathletics, as part of a worldwide maths competition. Please continue to encourage your children to play on live Mathletics at home, especially on the World Maths challenge. Mrs Giles, our Maths co-ordinator, will be giving out awards for high scorers next week in assembly.
