4. Priests/Religious practice reference

After the closing date (**15th December**) the school will write to all parents/carers who have submitted an application for the Nursery class. This will contain the priest/religious practice form and a letter explaining how to complete and return it.

If you do not receive the priest/religious practice reference form by the middle of January, you should contact the school to let us know.

5. Decisions and letting you know

We will write to all applicants with a decision on whether their application has been successful by the end of April (of the appropriate year). The Governors use their published admissions policy to allocate places and all applications are given full and fair consideration. There is no appeals process for nursery admission.

Reception Class Admissions

1. Forms

Parents who apply for a nursery place are able to complete a supplementary information form for the reception class at the same time, this saves you having to duplicate forms, certificates etc. Parents who wish to apply only for Reception Class may do so. All forms need to be completed and received by the school by **15 December** prior to the September in the school year your child is due to start in the reception class.

2. Process

The application process and priest/religious practice process are identical to those applying for Nursery but with one very important difference.

CAF

In addition to the forms above, applicants to the reception class must complete a Common Application Form (CAF). Failure to complete the CAF will invalidate your application. Lambeth residents may complete the CAF form on:

<https://beta.lambeth.gov.uk/schools-and-education/school-admissions-and-appeals/primary-school-admissions>

Applicants from other boroughs will need to contact their education authority for further details.

3. Queries

If you have any questions regarding the application process, forms or references, the school will be pleased to help you. You should email sruiz@corpus-christi.org.uk and we will deal with your query promptly. Emails sent during school holidays may take longer to process. Please note that we are unable to discuss or advise on the merits of your application or to receive any information other than that requested on the application and reference form.

Yours sincerely
