

Friday 6th October

Dear Green Team Nominee,

Congratulations you have been chosen by your class to stand for the upcoming election to be a Green team representative for your class.

There are 6 candidates who are standing for this year's elections in your class, 3 girls and 3 boys. You need to prepare a short speech as to why your classmates should elect you to be their Green Team representative for this year.

Your speech may include some of the qualities you have to be a good representative:

- good listener
- Enjoy being 'green'
- confident in speaking in front of others
- maybe you have ideas of how to be a 'Green' school

After the class have heard all of the speeches children vote for one boy and girl (from the nomination list) who they would like to sit on the Green Team and represent their class in future meetings.

The speeches and elections will take place on Thursday 12th October.

Good luck and we look forward to your election speech.

Yours sincerely,

Miss O'Donnell, Mrs. Kelleher and Mrs. Jenson
