

House System

All the children in Corpus Christi belong to one of our four "Houses"

Each of the Houses are led by senior teachers who organises special assemblies and celebrations on feast days. There are House displays in the School Hall that show special achievements of the children in each House.

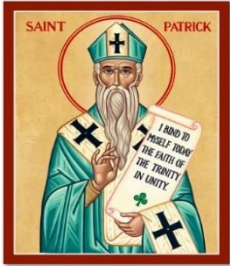

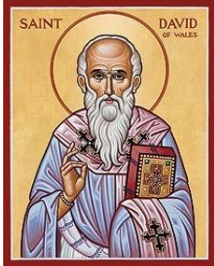

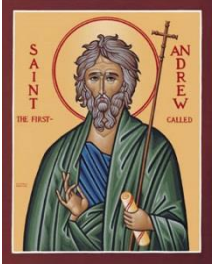

As part of our positive approach to behaviour every child has the opportunity to earn House Points. These are totalled up each week and the winning House has a weekly playground reward.

At the end of each term the winning House has a special reward afternoon.

Every member of staff is also a member of a House and each child proudly displays their House colours with a lapel badge.

During the year there are inter-house competitions and our annual Sports Day has a reward for the most successful House.

The four Houses represent the four patron saints of the British Isles:
