

Thursday 27th September

Dear Parents and Carers,

**Year 6 Visit to ZSL London Zoo
Tuesday 2nd October**

Classes 13 and 14 will be visiting ZSL London Zoo next Tuesday to enrich our topic work on Africa, and our work in Science related to classifying animals and different habitats. We will explore the Africa section of London Zoo, and we will visit the Rainforest Centre, which highlights the wide variety of climates and habitats within the continent. We will also attend a teaching session in the Learning zone.

The children will need to be at school at the usual time with a packed lunch. **(No nut products, glass, or fizzy drinks please.)** It is also essential that all children bring a raincoat. We will be travelling by coach and mini-bus, leaving school at approximately 9:15am. We will return to school at the slightly later time of **3.45pm**, please make arrangements for your child to be collected at this later time, or make your child's class teacher aware if they have permission to travel home by themselves.

We are all looking forward to learning more about African habitats and getting to see some animals up close. There are a limited number of spaces for parents on the coach for the trip – please email your class teacher if you would like to attend. Thank you again for your continued support.

Yours sincerely,

Mrs. K. Smart
Class 13 Teacher
