

From the Headteachers

Real School Guide

The Real School Guide was released this week and London ranks well in its number of high quality schools. The Real School Guide uses 45 different measures to rank schools, making it very different from standard league tables. As well as attainment, other factors looked at include pupil to teacher ratios, attendance and progress made by all students. Corpus Christi made the list at number 6 with a description that reads - 'this academy scores top marks across the board'.

Safer Internet Week

We have had a very successful computing curriculum week, rich with many different computing experiences. It was Safer Internet Day on Tuesday 11th of February and pupils attended infant and junior assemblies around the theme: Free to be me. Pupils also took part in lessons where they explored this theme further. They discussed how they use the internet and the older pupils looked at how they create a digital-foot-print.

Experts from the London Connected learning Centre also ran computer science workshops with all children from reception to year six. They have primarily been using the Scratch program which helps young people to think creatively, reason systematically, and work collaboratively – essential skills for life in the 21st century and skills which directly support the computing curriculum.

Our Year Five digital leaders also presented the story, 'Troll Stinks' to years two-six, which explores the themes of online safety and online bullying. We thank Miss Kriechbaum for all her hard work this week.

Parentpay

We apologise for the problems you have been experiencing at the moment with regards to receiving communications from school. Parentpay have identified an issue within their system and this is under investigation and hopefully it will be resolved very soon. It has also been brought to the school's attention today that some parents are not receiving text or email alerts informing them of low balances on their accounts. We will be passing this further issue onto Parentpay but request that in the meantime you check your child's account to ensure it is in credit.

Advance Notice Parents' Evening Appointments

Tues 24th March 3.40pm - 6pm & Thurs 26th March 4.40pm - 7pm

If you would like to request a certain day, early or late appointment, please contact Mrs Tatton at the school office. We will try to accommodate your request as best we can but please realise that this may not always be possible. Nursery and Reception Class appointments involve your child's Keyworker as well as the Class Teacher therefore the day of your appointment cannot be rearranged.

Announcements

Congratulations

Dental Health Survey for Nursery Children

King's College Hospital will be visiting our Nursery on Tuesday 25th February to carry out a dental examination as part of the National Health Nursery aged Survey 2018-2019.

Please return the consent form that was given to your child even if you DO NOT wish your child to take part in the survey.

Pedestrian Crossing Brixton Water Lane - Sainsbury's

The local community have organized a petition for Lambeth Council to upgrade the crossing by Sainsbury's Brixton Water Lane & Tulse Hill. Please follow the link below for more information and if you would like to add your support to the petition.
