**Enthuse Lambeth Schools Tournament**

The boys and girls' football teams played today in a tournament at Ferndale Road Sport Centre in Brixton. Both enjoyed positive group stages but unfortunately the girls lost to the eventual runners-up in the knockout stage. The boys had a particularly successful tournament, becoming champions by winning the final 6-2, well done to them all.

**A Special Thank You**

Dear Parents and School Staff

I just found out yesterday about the incredibly generous donation that the parents, staff and school have given to me and Francisca. When I saw the amount I actually clapped my hand to my mouth and burst into tears. I am blown away by your unbelievable generosity and kindness.

The support, help, charity and love that I have received from you all, the parents, staff and the school since John's death has been more than I could have possibly imagined. I can honestly say that you have supported me more than my own friends and family. I will never ever be able to thank you enough. It is humbling and a privilege to be on the receiving end of such kindness, compassion and comfort. Thank you all so, so much.

With more gratitude and love than can I ever express.

Ana and Francisca Class 7

**Flu Immunisation Programme**

Last week information was emailed to all parents from Reception to Year 6 about the upcoming flu immunisation programme taking place in school on Monday 2nd December. This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu.

Please use the link provided below to access the electronic consent form.

The link to the consent form will close at midnight on 27 November.

## Wellbeing News

This week we have marked Anti Bullying week by wearing odd socks on Tuesday to celebrate difference and having class discussions about different types of bullying and how we can stop it.

All under the banner of this year's theme: 'Choose Respect.'

Our wonderful Diversity, Inclusion and Wellbeing champions in Years Five and Six have led two assemblies, one for the Infant children and one for the Junior children on Anti-bullying and 'Choose Respect.' They have given up their lunch breaks this week to plan and rehearse and we are very proud of their effort and the excellent assemblies that they led. As part of their assemblies they stressed the importance of talking with trusted adults if they are worried about themselves or someone else. We have the Safe Space at school where children can speak with any chosen adult if they are worried and also our ELSA, who works with children longer term who may need emotional support

As always, if you have any wellbeing concerns for your child or your family, please do contact Mrs Smart either via email or during the Wednesday morning drop in session 9:00 - 10:30am.
