ISSUE 31

Year 6

We would like to congratulate our Year 6 children on their hard work and dedication towards their SATs which have now been completed. They can now enjoy the many enriching activities organised for them, including their residential to PGL. We thank all the staff who have worked with the children in class and in additional sessions to help them to make good progress overall.

Year 5

We wish Year 5 children a great week on their residential trip to the YHA in the New Forest and we look forward to hearing about all their adventures. Please take a look at our Instagram pages during the week to see what they are getting on.

Marian Procession

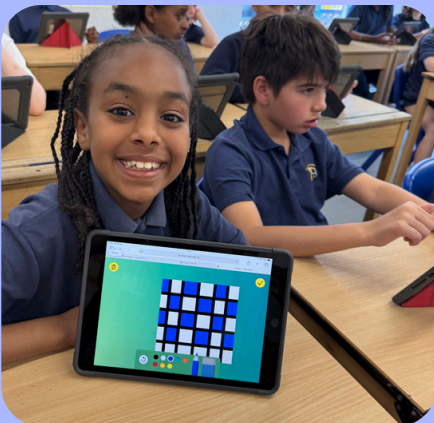

The Marian Procession will take place on Monday 19th May. Children across the school will be coming together to celebrate the Marian Procession. Please bring a flower with you to school on Monday to lay at the statue of Our Lady.

First Holy Communion

We would like to wish all our children well who are making their First Holy Communion at Corpus Christi Church and our neighbouring parishes, SS Simon & Jude's in Streatham Hill and SS Philip & James in Herne Hill during the months of May and June. Wishing you happiness and blessings on this very special day.

Warmer Weather

As the days are getting warmer we would like to remind parents to apply sun screen to your children before school, we will reapply sun screen to the children during the day. Children will wear their house hats when playing outside to protect them from the sunshine.

Class 11 children enjoyed a visit from Tate Education Digital team today trialling new online drawing resources. The children had the opportunity to draw collaboratively online reflecting on their recent trip to Tate Modern.

WELLBEING NEWS

This week is Mental Health Awareness Week. The Year Six children spent the mornings preparing for their SATS tests doing mindfulness colouring and designing, to relax and prepare in a calm way. LMHST Lambeth Mental health Support Team also visited the school to chat to some of the older children about what they think mental health is and why it is important to look after it.

Please click [here](#) for this week's newsletter from the National College all about Minecraft and keeping our children safe online.

And finally, while the weather is good, do try and get outside and spend some time in a park taking a walk, run, scoot or bike ride in nature - it's a great tonic for rounding off a busy week!

Wednesday Open Mornings

As always if you have any concerns about your child's or your family's wellbeing, please contact Mrs Smart, our senior mental health lead, ksmart@corpus-christi.org.uk. If you would like further information or a chat just come along to our wellbeing Wednesday Open Morning 9:00am - 10:30am.
