

FROM THE CO-HEADTEACHERS

The End of Term

This has been a successful year at Corpus Christi and we particularly thank all our staff for all the work they have done throughout the year to ensure that the children have received the best possible education. We thank all our parents for your continuing support of the school. We had a wonderful Year 6 Leavers Service and party on Wednesday night and wish all our Year 6 leavers the best of luck as they move on to secondary school. We thank you for all the wonderful messages and gifts, showing your appreciation of everything the staff have done over the year. We wish you all a restful and peaceful summer and look forward to seeing you all in September.

Leavers' Service

On Wednesday evening our Year 6 children, their families and school staff came together in Corpus Christi Church to celebrate their time at Corpus Christi School, it was a very moving service where the children shared their memories of their time at school. We welcomed back many of their class friends who have left Corpus Christi over the years, and it was lovely to see them all together again. During the evening, we presented three special awards; Fr Tom Heneghan Memorial Award was awarded to Aaliyah, Anne Brown Special Achievement Award was awarded to Jacob and Miss Lisa's 'You Make My Day Award' was awarded to Matthew, well done to you all. The evening continued with a party in the school and the children danced the night away.

Fond Farewells

Today we bid a fond farewell to Miss Sharples & Mrs Loh as they move onto new ventures and we wish them all the very best. We also say a farewell to Ms Donlon, Teaching Assistant in Class 4, who retires after 19 years working at Corpus Christi School but with a 40 year plus history as a parent at the school. We wish her a restful and happy retirement.

During the summer Miss Deeley will become Mrs Deeley! Congratulations and best wishes for a very happy wedding day and we look forward to seeing pictures on her return.

We were saddened to hear the news regarding the school trip to Exmoor zoo yesterday, with pupils from Minehead Middle School, where one pupil sadly died and 21 were injured. We hold the whole school community in our prayers and ask families to do the same.

Your child may pick up on this terrible tragedy via news on TV or online. We encourage you to discuss it with them if they ask about it. Please do so in a gentle and clear way, reassuring them that the children are being taken care of by emergency services and their families.

Take part in a short Psychology Study

HELLO UNDERGRADUATE STUDENTS!
My name is Roisín Lopenan. I am an MSc Psychology student at St Mary's University, Twickenham. For my final research project, I am inviting undergraduate students who have just completed their first year to take part in a short online survey.

WHAT IS IT ABOUT?
This study explores how students' beliefs about personal growth - academically, emotionally and socially - relate to how they bounce back from challenges during their first year at university.

HOW LONG WILL IT TAKE?
The survey takes approximately 10-15 minutes to complete and is completely anonymous.

WHY PARTICIPATE?

- Contribute to important new psychological research
- Reflect on your own first-year university experiences
