

STEM Day at Bishop Thomas Grant School

Today some of the Year 5 pupils went to BTG for a STEM Day event. They took part in a variety of practical activities that included making slime, exploring chromatography and discovering how to write coded messages using sodium bicarbonate and turmeric. They then considered what a scientist looks like and what skills a scientist needs before thinking about all the many different STEM careers there are. Finally, they took part in an inter-school competition where they built a marble run using paper straws, cardboard tubes and masking tape. They worked hard as a team and honed their engineering skills which resulted in them winning the competition and each receiving a special prize and certificate!

Bocketts Farm

Reception children had a wonderful time at Bocketts Farm yesterday. The damp and wet weather did not spoil the day and they enjoyed a tractor ride, feeding the farm animals and they cheered on the pigs in the pig race.

Spot the Difference!

Always milking it!!!

Year 6 PGL

Year 6 children are returning this afternoon after a fabulous week on the Isle of Wight at PGL Little Canada. We are looking forward to hearing about all their adventures next week when they are back in school. We thank all the staff who have volunteered to take the children away, as these trips cannot take place without them and to the year groups teachers for leading the organisation of these trips. We finally thank parents for the trust you give to the school to enable us to give your child a wonderful experience away.

CHILD OF THE WEEK FOR THE WEEK ENDING 23RD MAY 2025
