## Homework

- To allow the children time to adjust to being back in school, homework and spellings will begin being set after the October half term.
- Homework and spellings will be set online and more information will be given out about this nearer the time

## Curriculum

This half term we aim to ensure the children are settled in and we will dedicate time to their well-being. This is done through regular PSHE lessons and mindfulness lessons where children have the opportunity to talk about their thoughts, feelings or concerns.

Topics for this term:

- **Year 5:** Victorians, Living Things, Forces
- **Year 6:** Africa, Shakespeare, Living Organisms, Light
- We will also be celebrating Black history month in October.
- The children will have a specialist music lesson with their class once a week with Miss Brown.
- In RE, the children will continue to follow the 'Come and See' programme of study
