POLICY STATEMENT:

Date	Subject Leader	Nominated Governor
September 20	Mr Calvey	Miranda Sawyer

We believe 'bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video) and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences'. (DfE)

STATEMENT OF INTENT:

At Corpus Christi School we are committed to providing a warm, caring and safe environment for all our children so that they can learn and play in a relaxed and secure environment. Bullying of any kind is unacceptable and will not be tolerated in our school. We take all incidents of bullying seriously. Bullying hurts. No-one deserves to be a victim of bullying. Everybody has the right to be treated with respect and pupils who are bullying others need to learn different ways of behaving. At Corpus Christi School, we acknowledge that bullying does happen from time to time. When bullying does occur, everyone should be able to tell and know that incidents will be dealt with promptly and effectively in accordance with our anti-bullying policy. We are a TELLING school. This means that anyone who knows that bullying is happening is expected to tell the staff.

AIMS AND OBJECTIVES:

The aim of this policy is to try and prevent and deal with any behaviour deemed as bullying. The implementation of this policy will create an ethos where bullying is regarded as unacceptable so that a safe and secure environment is created for everyone to learn and work in. All members of the school have a responsibility to recognise bullying when it occurs and take appropriate action in accordance with the school policy. This will happen in the following ways:

- The school will meet the legal requirement for all schools to have an anti-bullying policy in place.
- The school will work closely with other professional agencies to ensure that children stay safe as stated in The Children Act 1989, The SEN and Disability Act 2001, The Government Green Paper 'Every Child Matters' 2003 (outcome 2) and The Children Act 2004.
- All governors, teaching and non-teaching staff, pupils and parents/guardians will have an understanding of what bullying is.
- All governors, teaching and non-teaching staff will know what the school policy is on bullying and will consistently and swiftly follow it when bullying is reported.
- All pupils and parents/guardians will know what the school policy is on bullying and what they can do if bullying occurs.
- Pupils and parents/guardians will be assured that they will be supported when bullying is reported.
- Whole school initiatives (staff training, celebration assemblies etc) and proactive teaching strategies (PHSE [Personal, Health & Social Education] lessons, circle time etc) will be used throughout the school to reduce the opportunities for bullying to occur.
- A positive, caring ethos will be created within the school environment where everyone can work, play and express themselves, free from the fear of being bullied.

DEFINITION OF BULLYING

The school has adopted the following collaborative definition of bullying which is our shared understanding of what bullying is:

Bullying is any deliberate, hurtful, upsetting, frightening or threatening behaviour by an individual or a group towards other people. It is repeated over a period of time and it is very difficult for the victims to defend themselves (remember STOP Sustained targeted and on purpose). Bullying is mean and results in worry, fear, pain and distress to the victim's.

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures), ridicule, humiliation
- Verbal name-calling, sarcasm, spreading rumours, threats, teasing, making rude remarks, making fun of someone

- Physical pushing, kicking, hitting, pinching, throwing stones, biting, spitting, punching or any other forms of violence, taking or hiding someone's things
- Racist racial taunts, graffiti, gestures, making fun of culture and ethnicity
- Sexual unwanted physical contact or sexually abusive or sexist comments
- Homophobic because of/or focussing on the issue of sexuality
- Online/cyber setting up 'hate websites', sending offensive text messages, emails and abusing the victims via their mobile phones through social media
- Any unfavourable or negative comments, gestures or actions made to someone relating to their disability or special educational needs.

Bullying is not:

It is important to understand that bullying is not the odd occasion of falling out with friends, name calling, arguments or when the occasional trick or joke is played on someone. It is bullying if it is done several times on purpose (STOP). Children sometimes fall out or say things because they are upset. When occasional problems of this kind arise it is not classed as bullying. It is an important part of children's development to learn how to deal with friendship breakdowns, the odd name calling or childish prank. We all have to learn how to deal with these situations and develop social skills to repair relationships.

Where does bullying happen?

It can happen anywhere – in the classroom, in the corridor, in the toilets, in the dining hall, in the playground. Bullying may also happen on the way to and from school. In such cases, the Head teachers are empowered to deal with such incidents. Bullying may happen at home and over the internet.

At Corpus Christi School, we are concerned with our children's conduct and welfare outside as well as inside school and we will do what we can to address any bullying issues that occur off the school premises or through electronic means such as text or social networking. As a school we are aware of the issues of E safety and how bullying can affect a child's mental health.

Signs and Symptoms

A child may indicate, by different signs or behaviour, that he or she is being bullied. Adults should be aware of these possible signs and investigate further if a child:

- is frightened of walking to or from school
- doesn't want to go to school
- changes their usual routine/route to school
- begins truanting
- becomes withdrawn, anxious or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to under perform in school work
- comes home with clothes torn or books damaged

- has possessions go “missing”
- asks for money or starts stealing money (to pay the bully)
- has unexplained cuts or bruises
- becomes aggressive, disruptive or unreasonable
- starts swearing or using aggressive language for no apparent reason
- is bullying other children or siblings
- stops eating
- is frightened to say what’s wrong
- gives improbable excuses for any of the above

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be taken seriously and investigated as soon as possible

ADDRESSING BULLYING CONCERNS WITH CHILDREN

Children will have a variety of scenarios where they feel they are being bullied at school. Questions children will need answering include:

What can I do if I am being bullied?

Wherever you are in school, you have the right to feel safe. Nobody has the right to make you feel unhappy. If someone is bullying you, it is important to remember that it is not your fault and there are people who can help you.

What can I do if I see someone else being bullied? *(The role of the bystander)*

Ignoring bullying is cowardly and unfair to the victim. Staying silent means the bully has won and gives them more power. There are ways you can help without putting yourself in danger. The children have also discussed this question in class and some of the strategies they suggested are listed below:

- Don’t smile or laugh at the situation.
- Don’t rush over and take the bully on yourself.
- Don’t be made to join in.
- If safe to do so, encourage the bully to stop bullying.
- If you can, let the bully know you do not like his or her behaviour.
- Shout for help.
- Let the victim(s) know that you are going to get help.
- Tell a member of staff as soon as you can.
- Try and befriend the person being bullied.
- Encourage the person to talk to someone and get help.
- Ask someone you trust about what to do.

CHILDREN WITH SPECIAL EDUCATIONAL NEEDS AND DISABILITIES

Corpus Christi School is an inclusive school. We provide a secure, accepting, safe and stimulating environment where everyone is valued for who they are.

We have some children who have learning and physical disabilities and/or communication difficulties. Everyone involved in the school is very aware that these children can be especially vulnerable to bullying and we are therefore particularly vigilant at all times.

High attainers, gifted or talented pupils can also be affected by bullying. Staff will treat this type of bullying as seriously and in the same way as any other type of bullying.

PROCEDURES FOR REPORTING AND RESPONDING

All staff will respond calmly and consistently to all allegations and incidents of bullying at Corpus Christi School. They will be taken seriously by all staff and dealt with impartially and promptly. All those involved will have the opportunity to be heard. Staff will protect and support all children involved whilst allegations and incidents are investigated and resolved.

The following step-by-step procedure will be used for reporting and responding to bullying allegations or incidents:

1. Report all bullying allegations and incidents to staff.
2. Staff will make sure the victim(s) is and feels safe.
3. Appropriate advice will be given to help the victim(s).
4. Staff will listen and speak to all children involved about the incident separately.
5. The problem will be identified, and possible solutions suggested.
6. Staff will attempt to adopt a problem solving approach which will move children on from them having to justify their behaviour.
7. Appropriate action will be taken quickly to end the bullying behaviour or threats of bullying.
8. Staff will reinforce to the bully that their behaviour is unacceptable.
9. The bully (bullies) may be asked to genuinely apologise. Other consequences may take place and appropriate sanctions applied.
10. If possible, the pupils will be reconciled.
11. An attempt will be made, and support given, to help the bully (bullies) understand and change his/her/their behaviour.
12. In serious cases parents will be informed and will be invited to come into school for a meeting to discuss the problem.
13. After the incident has been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.
14. Bullying incidents will be discussed regularly at staff meetings.

The following sanctions may be used:

- Apologise to the victim(s) verbally or in writing
- Lose privileges
- Lose playtimes
- Spend playtimes and lunchtimes with an adult
- Parents will be invited in to school
- Be removed from class and work in isolation

- Be withdrawn from participation in school visit, clubs and events not essential to the curriculum.
- Fixed term exclusion
- Permanent exclusion

STRATEGIES FOR THE PREVENTION AND REDUCTION OF BULLYING

Whole school initiatives and proactive teaching strategies will be used throughout the school to develop a positive learning environment with the aim of reducing the opportunities for bullying to occur.

These can include:

- Involving the whole school community in writing and reviewing the policy
