

The Brixton Orchard is a new green space in Brixton opposite St Matthew's Church with fruit trees and hundreds of edible hedges. It showcases how fruit trees can be integrated into urban spaces. Some Corpus Christi children visited the Orchard last week and helped to plant some cherry trees. The timing of this orchard is fitting, as you may have read recently that the intersection of Brixton Road and Coldharbour Lane broke the EU legal limits on nitrogen dioxide (NO2) 120 hours into 2017, making it the most polluted road in London during the first week of January.

From The Headteachers

In the children's book bags today there is a letter from us to share with you some important information relating to the funding of all schools nationally. Headteachers across the country have taken the hugely unusual step of issuing public statements asking for help. The letter does not make pleasant reading but we do urge you to read it as it affects our children now and possibly in the future.

Parents' Association Meetings

9am Friday 24th March

Race Night

Thank you to all the families who came last Friday to supported the Race Night.

Everyone had a great evening and congratulations if you were an owner of one of a winning horse.

Money raised after expenses was an amazing £789.93. A special thank you to everyone who bought a horse and to our families who sponsored the races.

To date the Parents' Association have raised £20,000.00.

This tremendous amount is down to our parents supporting events like our recent Race Night, Bingo, Cake & Toy Sales and of course the Christmas Fair.

Funds that we raise are used to support projects and equipment for our children.

Our existing school mini bus will shortly be coming to the end of its useful life and will need replacing.

The Parents' Association will be contributing to the cost of the new mini bus and we therefore need to ensure we continue to raise funds.

Our target is £30,000.00.
