

Year 4 have had a wonderful, fun filled week in Bournemouth. More photos available on twitter@ccbrixton

From The Headteachers

Summer is now firmly upon us and the children are enjoying having warmer sunnier days. This is always a wonderful, yet very busy time of year. Children across the school will be involved in many extra-curricular activities and a wide ranging programme of school trips have been arranged.

All of these trips are subsidised by the school and their continuation depends entirely on parental contributions to the cost. Please check your ParentPay account regularly so that all outstanding balances are paid in full. The school also has a Twitter account @ccbrixton which has regular updates on many events that take place both inside and outside school.

Well done to our Year 6 for all the effort that they have put into their preparations for their SATs this week. Today we look forward to Year 4 returning from their residential trip to Bournemouth. We are sure they will be very excited to see their families. Many thanks to all the staff at Corpus Christi for volunteering to give up their time for residential trips as without their support they would not be possible.

Our Goal

Friday Night is Lice Night

Please do check regularly to keep those nits at bay! Head lice can be a nuisance and parents must do regular checks to ensure your child has not got them and also if they do you treat them straight away to ensure they do not spread to other
