NSPCC Keeping Safe Programme

As you have been aware, specially trained staff and volunteers from the NSPCC led two assemblies to the school and workshops for Years 5 and 6 this week. The purpose of these visits was to deliver their **Speak out. Stay safe** programme. The children listened very carefully and participated with great maturity to all discussions. The NSPCC were very impressed by the children's behaviour and knowledge. We hope you have had the opportunity to talk with your children about the messages they received and what they need to do if they have a concern. The children will be taking part in a fundraising activity for the NSPCC next Friday 24th March, as part of the School Council's "Bed Head Day". Children are to bring in £1 to dress in their pyjamas and sponsorship forms have been sent home for children to return to collection boxes within classrooms so that further donations can be raised. The children may participate in exercise activities during day.

We thank all school staff and parents for supporting this initiative which really does ensure the children take on board our messages around keeping children safe.
