

This morning Class 1 gave the whole school and their parents a wonderful assembly on topics they have explored this term.

From The Headteachers

Monitoring Visit

We have recently received a report from an RE Adviser from the Education Commission relating to the monitoring of the Catholic ethos across the school and standards in the teaching of RE, which took place last month.

He noted that "the school remains a community with faith and the Gospel values as cornerstones. There is a clear emphasis on the school being a family linked together through their faith. Both the Catholic life of the school and the RE curriculum are of the highest priority and the status of the subject remains very prominent." We would like to thank all the staff, governors, children and parents for working together to continually ensure our school maintains its excellent provision in all areas.

Residential Trips

Next week our Year 6 are off to a PGL outdoor activity centre on the Isle of Wight for a well-earned break after their efforts in their recent SATS. It will give the children an opportunity to try something new and challenge themselves with encouragement from their friends. We wish them well.
