Security Update

Yesterday, following Monday evening's terrorist attack in Manchester, the school observed the nation's minute silence. The flag has been at half-mast as a reminder to the children to keep the families continually in their prayers. Lambeth are putting in place measures to reflect the heightened threat level. That means security will be reviewed at all their buildings and at any large or significant events in the borough over the next few days. We are also reviewing security and emergency arrangements on trips. Whilst the threat level is at critical, school trips into London will be cancelled. We will be reviewing this after half term, particularly if the threat level is reduced. Local trips and the Year 2 trip to the seaside will still take place.

PGL

Year 6 have had a wonderful residential week away to the Isle of Wight. The staff have really enjoyed spending quality time with the children and their conduct has been excellent. We would like to thank the staff for taking the children away and I know Year 6 parents will enjoy the children's stories.

Uniforms

We thank you for taking the time to ensure the children look smart for school. Holidays are a good time for children to freshen up their uniform and trim their hair. The tank tops look very smart with the shirts, as boys struggle to keep their shirts tucked in. Of course when the children are in school, we tend to allow them to keep cool by removing items of uniform. Please refer to the uniform guidance on our website if unsure of expectations. We will be updating this for the new school year, to clarify expectations, but if you have any suggestions relating to this clarification of our uniform policy, please let us know.

We wish you all a restful and happy half term.

Looking for Childcare?

Capable, dedicated, trustworthy, hard working nanny available for full time work from September 2017.

Has been full time nanny for a Corpus Christi family for 3 years so comes highly recommended. Please contact Caroline on 07826 552 760 if you are interested in being put in touch.

Parking at School

Please be careful parking around the school. Recently a parent's car was damaged by a lorry in Horsford Road. Please use the designated parking bays only.

Friday Night is Lice Night

Please do check regularly to keep those nits at bay! Head lice can be a nuisance and parents must do regular checks to ensure your child has not got them and also if they do you treat them straight away to ensure they do not spread to other children.
