

From The Headteachers

We had a fantastic event last night where we marked two special events, the first was the final repayment of the loan given to us by the Holy Family Sisters of St Emilie which enabled us to build both Class 14 and the Holy Family Room which now houses Breakfast Club and After School Care Club. Sister Irena and Sister Cathleen joined us to accept the final cheque made possible by funds raised through our MIDAS Club - the school's Trust Fund. We were delighted that so many of our past and current MIDAS supporters were able to join us to mark the event and enabled us to thank them personally for their support.

We also took the opportunity to host the soft launch of our Alumni Association. Our guest speakers included current parent supporters and past pupils highlighting how the Alumni would help them. The main aim of this initiative is to harness the skills and expertise of adults in our community to support, mentor and advise our past pupils who are now heading to further education or starting work, in doing so building ever stronger links between the school and community. To do this, we have developed an online networking platform and will be running events and workshops. If you would like to know more or feel you could offer help in anyway please sign up <https://corpusalumni.com> or through the Alumni page on the school's website. Please also feel free to contact Ms Ruiz if you would like to know more. We will have a larger full launch event during the summer term and will keep you posted on upcoming events.

Our Goal

Friday Night is Lice Night

Please do check regularly to keep those nits at bay! Head lice can be a nuisance and parents must do regular checks to ensure your child has not got them and also if they do you treat them straight away to ensure they do not spread to other children.
