From The Headteachers

School Website

We will be introducing a new website this September. Our existing website has served us well over many years and we are thankful for all the work that has gone into it. The new website will be populated this term and will be linked to our revised values and ethos, which has been formulated by staff, governors, children and parents. Official photographers will be coming into school this Monday, 3rd July, to take a selection of images representing a range of curriculum activities across the school. We would be very grateful if the children turn up to school smartly dressed with their jumpers on, so a full uniform is represented. Thank you for your cooperation and we look forward to launching our website for the new academic year.

Fun Run

We would like to say a special thank you to Mrs Stevens-Cox, Parents' Association and all the parent helpers who organised and made today a great success.

Corpus Christi Summer Fair Saturday 1st July

There is still time to volunteer if you are able to help at the Parish Fair tomorrow 1st July (set-up, clear-up or at the Fair itself)? If so please contact joanneregana@yahoo.co.uk and let me know what you would like to do. Even a couple of hours will be a big help on what should be a fun day for all. And if you have items for the bric-a-brac or book stall please start bringing them to the church porch where there are boxes waiting for your donations. Cakes and food for the stalls can be brought to the Church Hall in the morning. We hope as many of our friends and families can come along for a great fun day, enjoy some good food and drink while listening to the wonderful music of 'Holy Smoke'. Many fun activities for the children to enjoy.
