

## From The Headteachers

### Thank you

Over the last few weeks we have had a number of emails from members of the public congratulating the school on how the children show their respect in the school playgrounds when funeral corteges pass by. This means a great deal to the families during this sad time and they have asked us to pass on to the children and to their families their appreciation of this.

We have also been contacted by a funeral directors about the exemplary behaviour of the School Choir at the recent funeral of the brother of a member of staff. As a result of this, they wish to present to the school an award recognising service in the community. We will update you further when this place.

### Parents' Evening

The second evening of appointments with your child's class teacher will take place next Wednesday 8th February. If you are unable to attend the appointment please do let the School Office know.
