

Class 6 performed our first assembly for this summer term. Thank you to all the parents who came, the children were wonderful.

### From The Headteachers

#### School Journeys

Our Year 4 children are off on a week's holiday to Bournemouth next week and our Year 5 and 6 children are also looking forward to residential trips in the next few weeks. All these activities are a very important part of school life at Corpus Christi and we are always grateful to all our staff for taking the children out of school especially on week long residential trips.

All of these trips are heavily subsidised by the school and their continuation depends entirely on parental contributions to the cost. Please check your ParentPay account regularly so that all outstanding balances are paid in full. The school also has a Twitter account @ccbrixton which has regular updates on many events that take place both inside and outside school, and pictures will be posted from these trips on Twitter in the next few weeks.

#### Friday Night is Lice Night

Please do check regularly to keep those nits at bay! Head lice can be a nuisance and parents must do regular checks to ensure your child has not got them and also if they do you treat them straight away to ensure they do not spread to other children.
