Attendance

DofE Guidance for When your child can miss school:

You can only allow your child to miss school if either:

- they're too ill to go in
- you have advance permission from the school

There's [extra support available](#) if your child cannot go to school for long periods because of a health problem.

There may be other exceptional circumstances where you can ask to take your child out of school. Your school will consider each application and may let you take your child out of school.

**We Wish everyone a happy new year and hope all our families
have a lovely weekend**
