Sports Info:

On Wednesday, June 11th, the school cricket team participated in a friendly cricket tournament. The school competed against four other schools in a league table format. The team played 4 matches, winning all 4 and finishing at the top of the group.

The first match was very close; the team only won by 10 runs. However, this initial victory laid a solid foundation for the rest of the tournament. The players worked exceptionally well together, each understanding their role and ensuring they stayed focused on their tasks.

This demonstrated significant growth, as three weeks earlier, the team had participated in friendly matches without securing any wins. Consequently, before the tournament began, the team appeared somewhat unsure of themselves, understandably so. But as soon as the first match commenced, they never looked back, and it was incredible to witness everything coming together.

It was challenging to choose a player of the tournament, as each player had standout moments throughout. The results were a collective effort. The highlight of the tournament was Samuel H's diving catch to reduce the batter's points in the match against LadyBankes.

A big well done to: Samuel H, Samuel S, Mia, Ellissa, Mahroush, Tillie, Luke, Drish, and Noah, our captain, who did exceptionally well in organising the team. His tactical awareness allowed us to minimise the opponents' strengths while maximising our own.
