

# Photography and Video Permission Form

Dear Parents and Carers,

We are seeking your permission to use photographs and video recordings of pupils for a range of school-related purposes. These images may be used to celebrate achievements, share learning experiences, and promote school activities.

Please read the information below and complete the permission section.

## How Images May Be Used

Photographs and videos may appear in the following:

- School website
- School newsletters or printed materials
- Classroom displays
- Social media platforms managed by the school
- Local press or community publications (with additional consent where required)

All images will be used responsibly and in line with our safeguarding guidelines.

## Parent/Carer Consent

Please complete the form below to indicate your preferences. You may withdraw consent at any time by contacting the school office.
