Ash Class- Autumn 1 Project

As part of our learning in History, I would like you to complete a project to showcase all that we have learned about Ancient Egypt. Our key question is- Why and how did the Ancient Egyptians build pyramids? However, you may research any area you like about the Ancient Egyptians.

Some Ideas to Inspire You

- A powerpoint
- Art, for example, a drawing
- A poster or leaflet
- A sculpture or model
- Writing

This is your opportunity to be as creative as you like. You may want to do one of the above, more than one or something ~~else~~.

Key Vocabulary to Include

Ancient Egypt, pharaoh, ruler, noble, taxes, scribes, soldiers, invaders, farmer, pyramid, river Nile, slaves, mummification, afterlife, canopic jars, limestone, set square, plumb line, ramps, pulley, sled.

Please complete your project and bring it into school to share by Monday 14th October

TIMES TABLES

Year 4 will be tested on their Times Tables in June and will be asked 25 timed multiplication and division questions.

Times Tables will be tested weekly to ensure that Year 4 are secure in their tables from 1-12 and division facts.

We have access on iPads and Chromebooks to attempt a practice test.

To help with this please make sure they are using Times Tables Rockstars weekly.

Reading Books

- ▶ Home reading books will be set per child and will be school band books.
- ▶ Children are encouraged to read books/texts of their own choice for their enjoyment in addition.

Planners

- ▶ To be used by the children as a reading record (book title, page number) and signed by a parent.
- ▶ These will be checked and signed weekly.
- ▶ Parents to record messages or appointments, which will be checked throughout the week – or pass on messages at the door.
- ▶ Reading books will be changed Monday and Thursday only

Handwriting

- ▶ We are teaching cursive handwriting.
- ▶ Large emphasis of writing assessment in legibility, consistency, neatness and accurate formation.
- ▶ Practice encouraged at home, for example, asking your child to neatly write out a shopping list.

Maths
