HOGHTON

Friday 20<sup>th</sup> December 2024

Dear Families,

We have reached the end of a very busy, long term, with so much to celebrate. I have felt so proud of how the children have faced change and new challenges this term and the progress they have made.

During this half term, we have focused on the values of respect and kindness. Through these values, we have considered how we can show respect to others, ourselves and our environment. This led to class foci on behaviour for learning and what a super learner looks like, along with our tidy classroom award, demonstrating respect for our environment. I have thoroughly enjoyed visiting classes and celebrating the power of respect.

Whilst focusing on kindness, our children considered how they could spread kindness through school and recognising acts of kindness in others. It has been wonderful to see children recording lovely things about one another.

Supporting our school values, the school council have been working hard to spread kindness across school and the wider community. They hosted a Christmas afternoon tea for grandparents and neighbours and showed great enthusiasm whilst planning and hosting – well done councillors!

I would like to take this opportunity to thank Friends of Coupe Green, for their continued hard work and dedication to our school and providing support and opportunities for our children. This term has been filled with fun and exciting activities: Pumpkin Competition, Spooky and Sparkly Disco, Christmas Jumper Day and the most magnificent event, Twinkling Trails. The time and effort that it takes to plan, organise and host these events is huge and I truly appreciate all those who have given their time.

As we look forward to the new year, welcoming 2025, we will be looking for children to become school ambassadors - those who display our school values consistently and are role models for others. I look forward to watching all our children continue to shine and celebrate their achievements, kindness and progress.

Following minor amendments to our PE timetable, for Elm and Maple Classes, please see below a new Spring Term PE timetable, to help you prepare uniforms for the week.

Class	Days
Acorn	Wednesday
Oak	Monday
Elm	Wednesday
Ash	Wednesday (Swimming) and Friday
Maple	Tuesday and Thursday
Elder	Monday and Thursday

For dates for the first half of The Spring Term, please see our [school website calendar](#).

I hope that you all have a wonderful Christmas, filled with rest, family time and joy and I look forward to hearing all about the children's festivities and adventures.

Yours sincerely,

*Mrs J Littlewood*

Headteacher
